

PROFESSIONAL BBQ SYSTEMS

MEDITERRANEAN CHICKEN BREASTS

The wonderful aromas of thyme and honey will bring a little piece of Provence to your back garden.

INGREDIENTS

- 4 chicken breasts halves
- 2 teaspoons Dijon mustard
- 4 tablespoons white wine vinegar
- 4 tablespoons chopped garlic
- 2 teaspoons honey
- 1 teaspoon sea salt
- 1 teaspoon red pepper flakes
- 1 tablespoon olive oil
- 4 sprigs of fresh thyme

METHOD

1. Place the chicken breasts in a zip-lock bag.
2. Place the mustard, vinegar, garlic, honey, thyme, salt and pepper flakes into a small bowl and stir them with a fork.
3. Add the oil, a little at a time, to the marinade and whisk until all the ingredients are combined.
4. Pour the marinade over the breasts in the zip-lock bag and leave in a refrigerator for at least two hours, turning once or twice.
5. Lightly grease the grill rack with cooking spray and place the breasts on a preheated grill.
6. Cook until tender. Allow at least 5 to 6 minutes for each side.

Grilled to perfection

"As the UK's BBQ Champion, I have used almost all BBQ systems on the market and have never cooked on a system as fantastic as the Crown Verity range! Designed specifically for the professional foodservice industry, the heavy duty build and incredible output and performance are second to none. This fantastic system makes it easy to demonstrate the many benefits of BBQ cooking and I fully endorse the Crown Verity product"

BBQ Ben Bartlett MIH, FBII, Master C.G.C.

BRITAIN'S BEST BBQ'ER

Professional BBQ Systems

Crown Verity provides the complete outdoor cooking system, with a range of grills to suit every user from the publican with a small outdoor space to the busy event caterer looking for the ultimate outdoor cooking station. Every model in the range is built to the same high specification using only the finest materials and workmanship throughout and has the option to be modified to suit any requirement.

COMPLETE PACKAGE

Every grill supplied comes fully assembled with a roll dome, bun rack and single slot-in side shelf. Simply remove, unpack, connect gas feed, fire up and take your first order

SAFETY AND COMFORT

The well designed, heavy duty handle remains cool to touch throughout operation

POWER AND EFFICIENCY

Powerful independent 15,000 btu stainless steel burners allow the roll dome to reach full cooking temperature in less than six minutes

ACCESSORIES

Slot together components allow you to upgrade your grill to enhance and expand your BBQ menu. e.g. Roll domes and pro series griddles can be removed in seconds and various accessories simply slide on as they are required.

Pro Series Griddle shown.
For a full list of accessories see p11

BUILD QUALITY

Constructed from 300 series top grade stainless steel, including all bolts and connector pins, for durability, ease of cleaning and hygiene.

MOBILITY

Large (355mm) wheels and lockable castors make portability light work

EASY TO LIGHT

A stainless steel lighter tube makes lighting simple, easy and safe. Once alight, the tube acts as a pilot light allowing the operator to turn burners on or off instantly.

EASY CLEAN

Removable water pans catch any dripping fat and grease and helps eliminate any flare ups

Profit generation

Detailed throughout this brochure you will see details of how many Burgers and New York Strip steaks per hour can be served using each model's output capabilities. This we hope will provide for you a gauge to the profit potential of each system. Remember that the larger models provide increased versatility, (not only larger throughput quantities) allowing different menus to be cooked at the same time. The Pro Griddle option, for example, will fry an egg or stir fry a complete meal! Note: The cooking menu & volume capabilities increase the larger sized model you choose!

The Crown Verity BBQ system will pay for itself in a very short time and become a great profit generator for years to come. A Crown Verity Grill has longevity – a 10 year warranty on the stainless burners and cooking grates speaks for itself!

For more information please call your local Crown Verity supplier or the official UK distributors sales office on 01296 663400.

Happy BBQ-ing!!

mcb-30

This is our entry model, ideal for the light commercial griller or those with restricted space. Compact overall but check out the grilling area. The build quality however is not compromised and incorporates the same high quality and duty rating as the top of the range model MCB 72. Great choice for the professional domestic chef who wants to really show off to their neighbours and friends!

A compact solution with a large grill surface – maximum returns from minimum investment

Cooking Surface (W x D)	710 x 533mm	Burners	4	BTUH	64,500
Overall Dimension (W x D x H)	965 x 711 x 915mm	Actual Weight (KG)	57.6		
Package Includes	Roll dome, bun warmer, removable end shelf, all weather cover				
Options	Pro Series griddle, heavy duty rotisserie, side burner, see P11 for all available				
Capacity	Up to 210 burgers / 175 New York rib steaks per hour				

mcb-36

Ideal for the smaller caterer or restaurateur the MCB 36 is a very capable starting point and commercial size which can be individualised by adding items from the long list of add on accessories and most of our customers do! Five burners for maximum control and impressive fast heat recovery as you would expect from the Crown Verity system. Duty and build quality once again is not compromised as this is standard throughout every Crown Verity Model. Great value for money!

OPTIONAL SIDE BURNER

A side burner increases flexibility, providing a convenient surface to cook off sauces, adding individuality and added value to your food menu.

A capable size BBQ system with plenty of power for fast recovery plus a whole host of add on accessories available

Cooking Surface (W x D)	864 x 533mm	Burners	5	BTUH	79,500
Overall Dimension (W x D x H)	1118 x 711 x 915mm		Actual Weight (KG)	64.9	
Package Includes	Roll dome, bun warmer, removable end shelf				
Options	Sit on griddle, Pro Series griddle, heavy duty rotisserie, see P11 for all available				
Capacity	Up to 280 burgers / 210 New York rib steaks per hour				

mcb-48

Now we're starting to get very professional and serious about BBQ cooking. This little (big) beauty will cater for the busy operator who can call on 1.2 metres of cooking surface with the ability to reach 425°C in ten minutes from cold start. This model is very popular for Golf clubs, Caterers, Social clubs and the rental/outdoor catering event industry and if you wish to get serious with some rotisserie cooking, well this is the model for you. The option of a heavy duty rotisserie will allow a large suckling pig and alike to be cooked to perfection whilst providing plenty of spare cooking grid space to throw on some additional food menus at the same time. A real crowd pleaser!

Create a spectacle with the combination of a large cooking area and heavy duty rotisserie option

Cooking Surface (W x D)	1168 x 533mm	Burners	6	BTUH	99,000
Overall Dimension (W x D x H)	1422 x 711 x 915mm		Actual Weight (KG)	79.8	
Package Includes	Roll dome, bun warmer, removable end shelf				
Options	Sit on griddle, heavy duty rotisserie, side burner, see P11 for all available				
Capacity	Up to 367 burgers / 280 New York rib steaks per hour				

mcb-60

This one is a real favourite for the larger Caterer, Golf Club and Hotel. This extremely versatile BBQ system converts into many different cooking options on demand! We call these the combo options as its simple to slide on a pro grill for example and add or remove the dome lids to meet your food menu needs. Additional options include rotisserie and a host of other useful add ons, see inside back page for all these optional add ons. This model will be the talk of the town and by adding some Simply Stainless system table options (see p11) this can provide the ultimate outdoor cooking system. The build quality is once again uncompromised and comes with a 10 year warranty on the stainless burners and cooking grates as standard. So versatile!

Two cooking areas provides versatility for the creative chef

Cooking Surface (W x D)	1473 x 533mm	Burners	8	BTUH	129,000
Overall Dimension (W x D x H)	1753 x 711 x 915mm		Actual Weight (KG)	97.5	
Package Includes	2 roll domes, 2 bun warmers, 1 removable end shelf				
Options	Double roll dome, heavy duty rotisserie, side burner, see P11 for all available				
Capacity	Up to 420 burgers / 350 New York rib steaks per hour				

mcb-72

Wow, take a look at this super BBQ system! This is the absolute ultimate in BBQ-ing. With a total of nearly 6ft of cooking area this model will cater for the most adventurous or largest catering event/ professional user. The versatility of this system is the same as sister model MCB 60, the basic difference is the overall size and the extra 20% BTU output. This is the master of all BBQs so go on treat yourself to the ultimate Rolls Royce of all BBQ's!

HEAVY DUTY ROTISSERIE
The addition of a rotisserie makes this most impressive BBQ all the more impressive

The king of all BBQs!

Cooking Surface (W x D)	1778 x 533mm	Burners	10	BTUH	159,000
Overall Dimension (W x D x H)	2057 x 711 x 915mm	Actual Weight (KG)	114.8		
Package Includes	2 roll domes, 2 bun warmers, 1 removable end shelf				
Options	Pro Series griddle, heavy duty rotisserie, side burner, see P11 for all available				
Capacity	Up to 560 burgers / 420 New York rib steaks per hour				

Bespoke BBQ solutions

For businesses that need something a little more unique, Crown Verity have a full range of options that can be tailored to the individual requirements of any user. Built-In Barbecues can be installed within your very own bespoke outdoor kitchen, providing a seamless alfresco cooking station.

Another big revenue builder is the TG-1 Trailer Barbecue. This really is the ultimate foodservice solution for the event caterer. Why not take to the road with a pop-up Gazebo system and serve up some great BBQ grub whatever the good old British weather!
